Cambridge City Councilman
City Hall
Cambridge Mass. 02139

Dear Sirs

Just to let you know I am opposed
at the latest attempt to weaken the
Rent Control law. It seems that the laws
only bend as the law makers want
them to.

I have lived in Cambridge for
fifty years and at this point in time
people like me need the protection of
rent control.

Please vote no on the order
to rent consciently to buyers illegally
occupying their apartments.

Sincerely yours

Eileen M. Kimball
