OFFICE OF THE SCHOOL COMMITTEE

March 12, 1990

Secretary John DeVillars
Executive Office of Environmental Affairs
100 Cambridge Street 20th Floor
Boston, Massachusetts 02202

Dear Secretary DeVillars:

The Arlington School Committee at its meeting of February 27, 1990, voted the following motion:

That the School Committee opposes any construction on Route 2 which will in any way eliminate or reduce any recreational space at Thorndike Field in East Arlington and also any construction which would create additional safety hazards for the school children in Arlington.

The School Committee is interested in preserving recreational facilities for the students and residents of Arlington and the School Committee is very concerned about the safety of school children and the residents.

Your attention to this matter would be most appreciated. The School Committee would appreciate your response in regard to any construction on Route 2.

Sincerely,

William J. O'Brien Jr.
William J. O'Brien, Jr., Chairman
Arlington School Committee
