To The Honorable, The City Council:

In response to Awaiting Report Item No. 00-37, regarding assembling a committee to study the issue of locating the Red Sox stadium at North Point, please be advised of the following:

As I am sure you are aware, the State Legislature on July 25th reached an agreement with the Red Sox organization to build a new stadium in the City of Boston. At this time, there is no need to begin a study for siting of a stadium at North Point.

Very truly yours,

Robert W. Healy
City Manager
