

Cambridge April 13th 1864

To the Hon^{ble} Mayor & Alderman
of the City of Cambridge-

As considerable sums of
money have been raised and expended at various
times in the past by individuals for the improvement
of "Winthrop Square" in Old Cambridge, setting out trees,
putting up fence, &c. &c. and as said square is now
fast going to ruin, the fence having been suffered
to lay unrepaired during the whole of last season,
As the square is believed to be a public benefit
& improvement, the undersigned respectfully petition
that the matter may be taken in charge of by the
proper authorities, the fence repaired, and the whole
place put in respectable condition.
