

City of Cambridge,

Mayor's Office.

Cambridge, April 3rd, *1894.*

To the Honorable the City Council,

Gentlemen:

I transmit herewith a petition signed by fifty-three physicians, and also a petition signed by thirty-six business concerns, chiefly manufacturers, of this city. It is possible that the wishes of the petitioners may be complied with by the purchase of another ambulance, and by putting the same in the charge of the Police Department. The subject should be investigated, but in my judgment, without much additional expense to the city, an arrangement more satisfactory than the one proposed and recommended by me to your honorable body to be adopted, can be made. Certainly before that recommendation is adopted, I think the subject ought to be further investigated.

Respectfully,

Wm A Saunders

Mayor.
