To The Honorable, The City Council:

In response to Awaiting Report Item 22, regarding an update on the installation of "Pedestrian Crossing" signs at the intersection of First and Thorndike Streets, please be advised of the following:

The Traffic, Parking & Transportation Department will install "Pedestrian Crossing" warning signs on First Street at Thorndike Street. The signs will be installed on or before March 29, 1996. It is still anticipated that the developer of Two Canal Park will fund the installation of a full traffic signal at this location as part of their mitigation.

Very truly yours,

Robert W. Healy
City Manager
