To The Honorable Members of the School Committee:

Schedule of Budget Meetings Between School Councils, City and School Officials

Please Be Notified That: as part of the budget process the Superintendent has organized small group meetings between School Councils, City and School Financial Officials and other Administrators, to discuss the City's current and projected financial health and its impact on the School Department Budget for FY95 and beyond. The purpose of these meetings is to share financial information which will be used in developing the FY95 School Budget and to receive feedback from School Councils. In addition, after the presentation on City and School finances, a discussion concerning the role of School Councils in the Budget process will take place.

All sessions will begin at 7:00 p.m.. The overview of City and School Finances will take place from 7 p.m.- 8 p.m. and the discussion around the role of the School Councils will take place from 8 p.m.- 9 p.m. The schedule of dates, schools and locations is listed below.
