To Whom It May Concern:

We are respectfully requesting permission to place an "A" frame billboard approximately one foot from our property on the side walk of our real estate rental company which is located at 2210 Massachusetts Avenue. We are doing business as AAA Accommodations.

The two-sided billboard would contain information concerning apartments available for rent in our community, owned by Cambridge property owners who are paying taxes to our city. The apartments will be rented to tenants who will be contributing to and helping to build the Cambridge economy. At present, we do not have such a billboard. Based on our 29 years of experience, we strongly believe that the placement of such information on our sidewalk is a necessity, especially during the height of our short rental season, in order for our small business to survive. As Cambridgeans & owners of a small Cambridge business we need to implement every possible strategy to earn a living and provide employment for other American citizens in our community. We would be most appreciative for your cooperation and approval.

The sign will be in placed on our sidewalk from 8:30 a.m. to 9:00 p.m. Monday through Sunday. We will assume maintenance and responsibility for the billboard.

We look forward to hearing from you soon.

Sincerely,

Tracey Morgan

We would be most appreciative for your cooperation and approval.

The signs will be in placed on our sidewalk from 8:30 a.m. to 9:00 p.m. Monday through Sunday. We will assume maintenance and responsibility for the billboard.

We look forward to hearing from you soon.
