

Cambridge, Massachusetts,

April 8, 1932.

To the Honorable Mayor and City Council:

We, the undersigned, residents and owners of property on Western Avenue, bounded on one side by the Russell Hoyt Playground, respectfully petition that the height of the fence surrounding the playground be increased where it affects our homes and properties. It has been voted by the City Council, that the City of Cambridge shall not be held liable for property damage caused by batted balls; however, that resolution does not provide for damages or injuries that result because of the lack of proper protection in the form of a higher fence.
