Subject Public hearing relative to a curb cut at 9 Follen Street

I recently disapproved an application from Mr. Todd Stuart for a curb cut at 9 Follen Street, and consequently a public hearing was scheduled for the City Council on March 8. Mr. Stuart and I have resolved our differences on this matter, as he intends to construct a fence and landscape the parking area in a way that will minimize the impact on his house, which has been nominated to the National Register of Historic Places and is currently in the process of restoration. Therefore, I withdraw my objection to his plan and will not oppose it before the City Council.

Subject 9 Follen Street curb cut

CAMBRIDGE COMMUNITY
DEVELOPMENT DEPT.

I oppose the attached application for a curb cut at 9 Follen Street. The property in question, the Mrs. Benjamin Waterhouse house of 1844, has been nominated to the National Register of Historic Places, and in my opinion, a second curb cut and driveway on this property would seriously detract from the significance of the house and its neighborhood.
