Mr. Joseph Connarton
City Clerk

Dear Mr. Connarton,

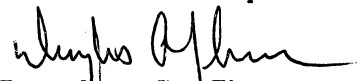

After a recent inspection of the residential apartment building located at 1-9 Arlington Street we concluded that the public sidewalk, adjacent to the building, is in need of repair. In fact, the present condition of the sidewalk could represent a risk to public safety for everyone living in the Arlington Street neighborhood.

After contacting the Department of Public works we received a "Form 1507" PETITION to the Honorable City Council.

Enclosed is a completed Form 1507 PETITION which seeks the approval of the City Council for the repair of the sidewalk adjacent to 1-9 Arlington Street. If it would assist you or Members of the Honorable City Council I would gladly attend a meeting of the City Council and/or submit photographs or any other relevant information.

Thank you for your assistance with this important matter. If you have any questions or if you would like to discuss any aspect of this PETITION please don't hesitate to call me at 354-6480.
