City of Cambridge.

In Board of Aldermen,

March 20th, 1900.

Ordered:

That a Report of the Committee on Roads and Bridges, together with orders (1) making an appropriation of $13,000.00 for the widening, extension and laying out of Clark Street, from School to Washington Street, according to a plan by L. M. Hastings, City Engineer, dated June 25, 1896, and (2), for the widening, extension and laying out of Clark Street, from School to Washington Street, as aforesaid, with the accompanying petitions, be taken from the files of the City Clerk and referred to the Committee on Roads and Bridges. Said orders were dated October 6, 1896.

ADOPTED.....

Sent to the Common Council for Concurrence,

CONCURRED May 20 1900

Attest

Edward F. Brandon

City Clerk.

Cambridge, April 20 1896

To the Honorable, the City Council, of the City of Cambridge.

The undersigned respectfully pray that Eighth Street may be extended and laid out from Thorndike to Spring Street.

IN COMMON COUNCIL

CONCURRED. May 12 1896

Attest: Edward A. Counihan Clerk.

City of Cambridge.

In Board of Aldermen,

June 30th, 1896.

Resolved: That the public necessity and convenience require that Eighth street, from Thorndike to Spring street, should be extended and laid out to a width of forty feet, and that for ~~shem~~ purpose of such extension and laying out it is necessary to take certain strips of private land bounded and described as follows:-

Beginning at a point in the southwesterly line of Thorndike street at its intersection with the southeasterly line of Eighth street extended: thence running southwesterly along said southeasterly line of Eighth street extended and produced about two hundred and five (205) feet to its intersection with the northeasterly line of Spring street: thence running northwesterly along and bounding on said northeasterly line of Spring street about forty (40) feet to its intersection with the northwesterly line of Eighth street extended, (said northwesterly line of Eighth street extended and produced, being the proposed new northwesterly line of the extension of Eighth street): thence northeasterly parallel to and forty (40) feet distant northwesterly from said southeasterly line of Eighth street along said northwesterly line of Eighth street extended about two hundred and five (205) feet to its intersection with the southwesterly line of Thorndike street: thence southeasterly along and bounding on said southwesterly line of Thorndike street about forty (40) feet to the point of beginning. Containing about eight thousand two hundred (8200) square feet, more or less.

The above described parcel of land is shown and inlcuded between red lines on a plan entitled "Plan of Eighth street extension", dated June 1896, drawn by L. M. Hastings, City Engineer and on file in the office of the City Engineer, Cambridge, Mass.

It is therefore hereby

Ordered:

That due notice be given to the owners of lands abutting on said Eighth street, as hereinbefore described, and all other persons interested, by a delivery of a copy of this order of notice in the manner prescribed by law, and by publication in the newspaper called the Cambridge Chronicle, that this Board intends to extend and lay out said Eighth street to the width of forty feet, by taking a portion of their land and laying out the same as a public street, and that Tuesday the 14th day of July next, at 4.30 o'clock P. M., is assigned as the time for hearing any objections which may bemade thereto.

ADOPTED.

IN COMMON COUNCIL

CONCURRED. July 14 1896

Attest: Edward A. Counihan Clerk.

City of Cambridge.

In Board of Aldermen,

October 6th, 1896.

Resolved, That the public necessity and convenience require that Eighth street, from Thorndike to Spring street, should be extended and laid out to a width of forty feet, and that for the purpose of such extension and laying out it is necessary to take certain strips of private land bounded and described as follows:-

Beginning at a point in the southwesterly line of Thorndike street, at its intersection with the southeasterly line of Eighth streetbextended; thence running southwesterly along said southeasterly line of Eighth street extended and produced about two hundred and five (205)feet to its intersection with the northeasterly line of Spring street; thence running northwesterly along and bounding on said northeasterly line of Spring street about forty (40)feet to its intersection with the northwesterly line of Eighth street extended (said northwesterly line of Eighth street extended and produced being the proposed new northwesterly line of the extension of Eighth street); thence northeasterly parallel to and forty (40)feet distant northwesterly from said southeasterly line of Eighth street along said northwesterly line of Eighth street extended, about two hundred and five (205)feet to its intersection with the southwesterly line of Thorndike street; thence southeasterly along and bounding on said southwesterly line of Thorndike street, about forty (40)feet to the point of beginning. Containing about eight thousand two hundred (8,200) square feet more or less.

Also that the grade of said Eighth street extended and laid out as aforesaid, should be established; and the for the purpose of the aforesaid extension of said street, it is necessary to take and lay out as a public way and part thereof the following described parcels of land, to wit:-

A parcel of land said to belong to the estate of Daniel Rindge, bounded as follows: northerly by the southerly line of Thorndike street thrity-seven (37)feet; easterly by the proposed easterly line of Eighthstreet extension sixty-eight and two tenths (68.2)feet; southerly by land hereinafter described as taken from Robert Weitze and from unknown owners thirty-seven and sixty-one hundredths (37.61)feet; westerly by land hereinafter described as taken from Robert Weitze seventy-two and two tenths (72.2)feet. Containing two thousand five hundred and ninety-eight (2598) square feet, more or less.

A parcel of land said to be long to Robert Weitze bounded as follows:-northerly by the southerly line of Thorndike street three (3)feet; easterly by land hereinbefore described as taken from the estate of Daniel Rindge seventy-two and two tenths (72.2 feet; northerly by land hereinbefore described as taken from the estate of Daniel Rindge seven and three tenths (7.3)feet; easterly by the westerly line of a passageway about one hundred and thirty-three and nine tenths (133.9)feet; southerly by the northerly line of Spring street nine and eight tenths (9.8)feet; westerly by the proposed westerly line of Eighth street extension, two hundred and six (206)feet. Conatining fourteen hundred and eighty-seven and five tenths (1487.5)square feet, more or less.

City of Cambridge.

In Board of Aldermen,

189

A parcel of land belonging to ~~owners~~ unknown owners, being a passageway extending from Spring street northerly in the line of Eighth street extended ~~s~~southerly and bounded as follows:-northerly by land hereinbefore described as taken from the estate of Daniel Rindge about thirty and thirty-one hundredths (30.31)feet; easterly by the proposed easterly line of Eighth street extension about one hundred and thirty-seven and four tenths (137.4)feet; southerly by the northerly line of Spring street about thirty and two tenths (30.2)feet; westerly by land hereinbefore described as taken from Robert Weitze about one hundred and thirty-three and nine tenths (133.9)feet. Containing forty-one hundred and fourteen and five tenths (4114.5)square feet, more or less.

The above described parcels of land are shown and included ~~in~~ between red lines on a plan entitled "Plan of Eighth street extension" dated June, 1896, drawn by L.M.Hastings, city engineer and on file in the office of the city engineer, Cambridge, Mass.

Said extension and laying out to be done under the provisions of the statute authorizing the assessment of betterments.

Whereas, due notice has been given of the intention of this Board to take the parcels of land for the purposes aforesaid, as appears by the return on the order of notice issued therefor, And

Ordered, That the parcels of land hereinbefore described, be and the same hereby are taken and laid out under the provisions of law authorizing the assessment of betterments, as a public street or way of the City of Cambridge and part of Eighth street, all according to a plan of such extension and laying out, made by L. M. Hastings, City Engineer, dated June 1896, entitled "Plan of Eighth street extended", and on file in his office; and this Board doth adjudge that the expense of said ~~xxxxxxx~~ extension and laying out, of the aforesaid street, as aforesaid, will amount to the following sums, viz:- It is therefore

Cost of linear curbing, three hundred and seventy-four dollars and forty cents ($374.40): circular curbing thirty-seven dollars and seventy cents ($37.70): surfacing five hundred dollars ($500.00): sidewalks seventy-two dollars ($72.00). Examination of titles and other contingencies seven hundred and thirteen dollars and one cent ($713.01); and that the damages to the estates, parts of which are taken as hereinbefore stated, are the sums set against them respectively in the schedule hereto annexed, the same amounting to four thousand, three hundred and two dollars and eighty-nine cents ($4302.89), making a total expense for said extension and laying out of the sum of six thousand dollars ($6000.00).

City of Cambridge.

In Board of Aldermen,

189

The Mayor is hereby authorized to draw his warrants upon the City Treasurer, in payment of the awards of damages hereinafter made, by reason of the aforesaid ~~widening~~ extension and laying out, and for the sum of four thousand three hundred and two dollars and ~~thirty~~ eighty-nine cents ($4302.89) severally in favor of the persons named in the schedule hereto annexed, for each person or party in the sum set against his, her or their names respectively the sums so paid to be charged to the appropriation for the extension and laying out of Eighth street.

Estimate of damages occasioned by the extension and laying out of Eighth street, in accordance with a plan dated June, 1896, entitled "Plan of Eighth street extension".
N.B.-The award in each of the following cases includes payment for land taken, cost of removal and damage to buildings, damage to remaining land and all other damages.

Names of Owners.	Sq. feet of land taken.	Damages.
Robert Weitze	1487.5	$ 1763.69
Estate of Daniel Rindge	2598.	2539.20
