To The Honorable, The City Council:

In response to Awaiting Report Item No. 9, regarding a report on resurfacing the bricks in the area of the Central Square Library/Manning Apartments, please be advised of the following:

The Commissioner of Public Works and the Construction Division Supervisor revisited the area in question on September 25, 1998 and found two small defects in the sidewalk on Franklin Street at the entrance to the Central Square Library. Subsequently, those defects have been corrected.

The brick surface at the Manning Apartments is under the jurisdiction of the Cambridge Housing Authority and has also been re-inspected by their representative. This area was found to be in good condition and will be monitored for repairs as needed.

Very truly yours,

Robert W. Healy
City Manager
