To the Honorable, the City Council:

Attached please find the Salary and Classification Plan for the City of Cambridge, effective July 1, 1976. This plan represents a 6% pay raise for all union and non-union employees with the following exceptions: Police Officers, Water Department union employees, Sanitary and Code Enforcement Inspectors, and Duplicating Machine Operators. In these cases no adjustment has been made, as the collective bargaining process is still in operation for the fiscal year which begins July 1, 1976.

Please note that, pursuant to my earlier stated policy, no non-union employee currently receiving a salary of \$20,000 per year or more will receive the 6% increase.

Your acceptance of this Salary and Classification Plan is recommended in order that we may implement the salary increases as of July 1, 1976.

Very truly yours,

James L. Sullivan
City Manager
