Ladies and Gentlemen,

I am profoundly touched and very grateful for the resolution adopted by you at the meeting on July 27th, 1998, regarding your wishes for my recovery. The knowledge of your act of kindness has brought me solace as I recuperate from this rather difficult illness.

May all of you be showered with blessings of good health and fortune as you continue your great work with dedication and resolve toward the progress of this our great City of Cambridge.

My best personal regards,
