City of Boston.

City Messenger's Office,  
City Hall, February 23, 1877.

Dear Sir:

The City of Boston having recently established a "Municipal Reference Library," for the special use of the City Council, it is desirable that the same should contain copies of the Official Manuals or Directories of the officers of each State and City for the current year. If you can conveniently send me a copy of such record of your ~~State~~ or City, or of any other documents that may be useful for reference, you will greatly oblige me, and I shall be happy to reciprocate the favor.

Very respectfully,

Abraham H. Peters,

CITY MESSENGER.
