About a month ago
I received a form letter
undated and unsigned from
the pension Board (or rather
written on pension board
paper) stating that I had
been overpaid for seven
years to the tune of \$666.48
and requesting a check for
\$489.06. This was minus \$177.
for cost of living raise.

I immediately wrote
the pension board requesting
a full explanation of the
whys & wherefors. To date I
have not received any kind
of information. I think I
have waited long enough

now could some one on the
council find out what the
devil is going on?

Thanking you

Elizabeth Hurley
