To the Honorable, the City Council:

With reference to recent order of your Honorable Body relative to the "Victory Gardens" at the Infirmary site, please be advised that I have checked into the matter of the vegetable garden project.

A week ago I visited the site and found that a number of our neighborhood people were involved in developing small plots, 10' x 10', for vegetable gardens. The entire area does not exceed a quarter of an acre at the very most, and I do know that the project is one that will not interfere with any of the other on-going programs in that location.

Very truly yours,

John H. Corcoran
