City of Cambridge,
City Engineers office,
Dec. 8th 1868

To the City Council,
Gentlemen,

In compliance
with an Order passed May 19th 1868, directing the
City Engineer "to survey and establish the lines
of Green, Franklin, William, Cottage and Auburn
Streets between Brookline and Pleasant Streets,
so far as the same have been accepted by the
City," the following report is presented,

I have caused said surveys to be made,
requiring only some further verification of
ancient lines, and to complete the plans of the
said streets for record. I would therefore ask
for further time, in order to report in full
at an early date.

Respectfully Submitted,

J. G. Chase
