Dear Editor:

The family of Jack Gairachty would like to thank all of those people who were so helpful and supportive to us when our son was hit and killed by a truck on the corner of Vassar Street and Mass Ave. We would particularly like to thank the Cambridge Police who did an excellent job at the time of the accident and during the funeral. The acknowledgement from the City Council was particularly meaningful to us.

Sincerely,

Dorothy Gairachty

Mrs Dorothy Gairachty
