The Honorable Mayor Alice K. Wolf
and Members of the City Council
Cambridge City Hall
795 Massachusetts Avenue
Cambridge, MA 02139

Dear Mayor Wolf and Members of the City Council:

I am delighted to inform you that as a result of the accomplishments of the City of Cambridge Community Development Department's leadership in the efforts of Commuter Mobility and the great success of Cambridge's World Class Commuting Day event held at Cambridge Center on May 15, 1991, it is our pleasure, along with the Massachusetts Executive Office of Transportation and Construction to bestow the enclosed Corporate Leadership Award upon the City of Cambridge.

In the two years since the Commuter Mobility Program was started, Susan Goldwitz, the Commuter Mobility Manager, has achieved many of the important goals and objectives of this region-wide effort. There has been real progress in the reduction of single occupant automobiles in Cambridge, and many innovative programs and solutions to the problem of automobile emissions and traffic congestion have been advanced. We fully expect that the Community Development Department will continue to achieve and expand upon the impressive results that have already been attained.

Sincerely,
