CITY OF CAMBRIDGE.

In Board of Aldermen, Oct. 1. 1889.

The Committee on Roads and Bridges
to which was referred the petition of Andrew Lawrence
and others praying for the acceptance of Wright Street,

Reports,

Recommending

that the petitioners have agreed to withdraw. This proposed
street is about twenty feet in width, and although some
of the abutters are willing to give their land for the
purpose of widening the street, to thirty feet, it has been
found impossible to get all the abutters to join in a release
of the required land. Your Committee has previously sub-
mitted an adverse report upon a petition for the acceptance
of this street during the present year.
