

We, the undersigned, are disturbed that Biogen has gone back on its promises to the City of Cambridge. We oppose the use of contractors that do not provide wages and benefits that meet community standards on the new Biogen project. Given that Biogen has not lived up to its commitment to provide community benefits, we call on the City of Cambridge to repeal Biogen's 121A tax break.

We, the undersigned, are disturbed that Biogen has gone back on its promises to the City of Cambridge. We oppose the use of contractors that do not provide wages and benefits that meet community standards on the new Biogen project. Given that Biogen has not lived up to its commitment to provide community benefits, we call on the City of Cambridge to repeal Biogen's 121A tax break.
