West, East win all-star games

The West and East Division all-star teams came out the winners in the annual Little Baseball League all-star games last weekend. The West won the majors title while the East won the minors contest.

The West stars defeated the Central division in the opener, 17-4, with Jason Farrell pitching a three-hitter and striking out 4.

Dai Ellis ans Sasha Cook had two hits each, while Paul Matteredzo had a long homer to centerfield and Tommy Flynn and Justin Wilson contributed a hit each for the winners.

Aaron Foley, Billy Megan and Mark Bellisario had hits for Central.

In the title match with the East division, Paul Matteredzo pitched a solid game for the West, striking out 13 and giving up 3 hits.

Willie Kelsey and Tony Swartz had two hits each while Swartz drove in four runs to lead the team to a 11-2 win. Also hitting for the West were Nick Byrling and Tommy Flynn.

West all-star team members include Sasha Cook, Jason Farrell, Jay Menendez, Dom Callaro, David Greene, George Rodriguez, Dai Ellis, Tony Swartz, Justin Wilson, Mason Smith, Paul Matteredzo, Willie Kelsey, Lia Centrella, Tommy Flynn, Nick Byrling and alternates Andrew Hockman and Mark Zeph. Manager was Butch Dunphy and coaches were Brendan Sullivan, Andy Apperle, Len Roderick and Don Hockman.

The East division beat their North counterparts, 6-1, to make the finals with Phil Amenkowicz pitching a three-hitter and adding a long homer. Stacy Lewicki and Nelson Ubaldo both homered, while Greg Auffero and Alex Martinez con-

tributed hits in the semi-final match. Rocco Capidullo, Alex Martinez and Tyrone Belletti had hits in the championship game.

The East Division may have missed in the Majors, but they won a shot at the Minors title with an 11-6 win over the North Division and then went on to beat the Central division for the final glory.

Abdul Luno was the winning pitcher in the semi-final match with the North. He struck out nine and had a hit. Also hitting for the winners was Saitano Pucci, Jeffrey Saccioia, Nilton Pina, Joey Kelley and Mark Desroches.

In the title game, Saccioia was the winning pitcher, striking out nine and giving up six hits.

Top hitter was Paula Zagarella with three hits. Octatano Pucci had two hits, while others were contributed by Frank Cabral, Richard Rose and Jason DaSilva.

Katie McGoldrick and Jason Siebert had two hits each for the Central.

Central got to the finals by beating the West, 10-9, with two runs in the bottom of the sixth inning. Lonell Britt was the winning pitcher. Katie McGoldrick had two hits and Brad Cassessa, Killy Burke and Rosemarie Tucker had one each. Tucker also knocked in the winning run.

Other East team members are Paula Zagarella, Octatano Pucci, Nilton Pina, Joy Zagarella, Jeffrey Swartz, Frank Cabral, Mike Martins, Amy Pilarski, John Perocco, Richard Rose, Alfred Baldasaro, Leo Pacheco, Abdul Luno and Jason Da Silva. Coaches of the East were John Zagarella, Fred Cabral, Bob Hollan and Dawn Zagarella.

Deran's confects a sweet title in East

The Deran Confectionery Co. has won the East Division Majors Championships annexing the title by virtue of a convincing 18-8 win over Sons of Italy.

Kevin McManus and Brian Rezendes combined to hold the Sons to three hits. Deran's Randy Wilson, hitting for the cycle—single, double, triple, and a three-run homer—drove in seven runs. Andy DeFilippi's double and triple and Alan Martin's double were also key hits assuring the wide margin of victory.

Early in the season, the Deran's club shared first place with Sons of Italy and throughout the succeeding seven of eight weeks, maintained a one-game lead then increasing the lead to two games.

The pressure was always on Deran's especially by Gallagher Roofing who maintained first place for one week. Sons of Italy also made a valiant effort to overtake Deran's but to no avail.

The Deran's roster includes Tyrone Belletti, Tino Cruz, Andy DeFilippi, Jason Foster, Greg Gianino, Ralphie Gray, Jason Kelly, Stacy Lewicki, Alan Martin, Alex Martinez, Kevin McManus, Mike Facheo, Kymlo Postell, Brian Rezendes, and Randy Wilson. Team managed by Warren McManus aided by coaches Jack Douyotos and Ken McManus.

Deran's was a well-balanced team, strong down the middle with catcher Alex Martin, second baseman Andy DeFilippi, shortstops Tyrone Belletti and Kevin McManus, center-fielder Tino Cruz, a good defensive

outfield and infield, excellent pitching furnished by Tyrone Belletti, Kevin McManus and Brian Rezendes, and a strong batting attack led by Tyrone Belletti, Andy DeFilippi, Stacey Lewicki, Alex Martinez, and Randy Wilson.

When queried about this team, Mgr. Warren McManus and coaches Jack Douyotos and Ken McManus unanimously agreed: "While all the ingredients to play the game of baseball are so important because each compliments the other, we take pride on the overall defensive play of our ballplayers. The credit of this championship team goes to them."

Our congratulations to the entire Deran's squad and good luck to both champions, Deran's Majors and Vellucci Insurance Minors, when they represent the East Division in the Mayor's Cup come September.

CRLS wants to have a field day with program

The Cambridge Rindge and Latin School football team is ready to have a field day.

With light at least gleaming at the end of a long tunnel, the squad, under Coach Wadie Geraigery, is keeping its fingers crossed that it will be able to play home games at home in September when Russell Field is scheduled to be ready for action.

The absence of a home field hasn't kept the squad from doing its best to bring home the gold and glory to Cambridge in past years, but it has been a psychological irritant to have to play "home" games at Dilboy in Somerville.

All of that will be history in September, though, and, to celebrate, the squad is seeking advertising sponsors for the biggest and best program book ever, Geraigery says.

Monies raised from ad sales will be used for uniforms, supplies and practice camp. Last year saw a big turnout for football and Geraigery says there will be even more candidates this year.

The new field, he says, "is a big plus for the community as well as the athletes" and, for that reason, Geraigery wants the city's business community and civic leaders to participate in the celebration by supporting the program book.

As in the past, a full page ad will cost \$125 and a half page, \$75. A

Summer playground activities announced

HONORED GUESTS—House Majority Leader Charles Flaherty, D-Cambridge, is pictured with his recent guests, the Cambridge Rindge and Latin School State Champions Boys' Basketball Team, who were honored with a House of Representatives resolution. With Flaherty and team are, from the left in front, Assistant Coach Kevin Moore, Principal Edward Sarasin, Rep. Saundra Graham, Flaherty, Helen Ford, mother of star Rumeal Robinson, Head Coach Al Cocoluto, and Rep. Peter Vellucci.

Morse students earn honors

On June 23, four seventh grade students at the Morse School were honored with Who's Who achievement and service awards, based on their outstanding academic abilities and school service.

To qualify, a student must maintain an average of 90 percent or higher in all academic subjects. James Coady, principal of the school, presented the award to Marc Bellisario, Sarah Bonvie, Kathy Giakoumis and Catherine McGoldrick.

The awards are sponsored as a public service by the publishers of Who's Who Among American High

School Students to recognize outstanding students for their achievements and to motivate all students to strive for excellence, goals shared by the administration and faculty of the Morse School.

City of Cambridge

In City Council August 4, 1986

The Ordinance Committee comprised of the entire membership of the City Council, conducted a public hearing on Tuesday, July 15, 1986 beginning at 6:25 p.m. in the Sullivan Chamber at City Hall. The purpose of the hearing was to consider and review a proposed amendment to the General Ordinances of the City of Cambridge, relative to "Electronic bug-killing devices".

At this time Councillor William Walsh, Chairman of the Committee, called the hearing to order and recognized Councillor Francis Duehay.

Councillor Duehay stated he had requested that such an amendment be prepared in response to continuing complaints from residential neighborhoods who experience problems with these so-called "bug-killing" machines which often times are left on twenty-four hours per day, prohibiting people from sleeping. He further stated that the proposed amendment would prohibit the use of such devices during the hours of 11:00 p.m. and 8:00 a.m., if a written objection to such use by an abuttor has been received by the City Clerk within one year.

The Committee was in receipt of written communications supporting the amendment from Mr. & Mrs. Reevan Spiller, 77 Kirkland Street, Cambridge and Mr. & Mrs. Benjamin Schwartz, 3 Sedgwick Road, Cambridge.

No one appeared in opposition to the proposed amendment.

At this time Councillor Francis Duehay moved the proposed amendment be referred with a favorable recommendation to the full City Council.

The motion - prevailed.

The hearing was adjourned at 6:40 p.m.

For the Committee,

Councillor William H. Walsh
Chairman.

In City Council August 4, 1986

The Ordinance **Committee** comprised of the entire membership of the City Council, conducted a public hearing on Tuesday, July 15, 1986 beginning at 6:25 p.m. in the Sullivan Chamber at City Hall. The purpose of the hearing was to consider and review a proposed amendment to the General Ordinances of the City of Cambridge, relative to "Electronic bug-killing devices".

At this time Councillor William Walsh, Chairman of the Committee, called the hearing to order and recognized Councillor Francis Duehay.

Councillor Duehay stated he had requested that such an amendment be prepared in response to continuing complaints from residential neighborhoods who experience problems with these so-called "bug-killing" machines which often times are left on twenty-four hours per day, prohibiting people from sleeping. He further stated that the proposed amendment would prohibit the use of such devices during the hours of 11:00 p.m. and 8:00 a.m., if a written objection to such use by an abuttor has been received by the City Clerk within one year.

The Committee was in receipt of written communications supporting the amendment from Mr. & Mrs. Reevan Spiller, 77 Kirkland Street, Cambridge and Mr. & Mrs. Benjamin Schwartz, 3 Sedgwick Road, Cambridge.

No one appeared in opposition to the proposed amendment.

At this time Councillor Francis Duehay moved the proposed amendment be referred with a favorable recommendation to the full City Council.

The motion - prevailed.

The hearing was adjourned at 6:40 p.m.

For the Committee,

Councillor William H. Walsh
Chairman.

Dear Mr. Conner

1986 JUN 30 PM 17 24
CAMBRIDGE MA.

I am writing to back the
proposed bill of Councillor Duchay
mandating that awnery bug zappers
turn them off between 11 PM & 6 AM.

I have been living here 30 yrs.
only in recent years have we been
so disturbed as to cause sleepless
nights. Two of my bedrooms face
the yard of Reva Coore
73 Kirkland St, Camb.

She has a zapper of bugs which goes
all night long.

Please do something about this.
Thanks.

Dear Dr. Kudarauskas:

Please be advised that on August 4, 1986, the Cambridge City Council adopted an amendment to the General Ordinances (Ordinance No. 1038), relative to the prohibition of non-measured noise.

Specifically, the amendment relates to the operation of electronic bug-killing devices. As you will note by the enclosed, the amendment prohibits the use of bug-killing devices between the hours of 11:00 p.m. and 8:00 a.m. if written objection is received by this office from property abutters.

Consequently, I must inform you that I am in receipt of written objection to the operation of your bug-killing device from Mrs. Gertrude Spiller of 77 Kirkland Street and would ask you to fully comply with the provisions of this ordinance. (For your convenience, I am enclosing a copy of Ordinance No.'s 877 and 1038, the same relative to the operation of noise control).

Thank you for your cooperation in this matter.

Sincerely yours,

AN ORDINANCE

In amendment to an ordinance formerly entitled: "The General Ordinances of the City of Cambridge" as revised in 1972 and now designated as "The Code of the City of Cambridge".

Be it ordained by the City Council of the City of Cambridge as follows:

Chapter Thirteen entitled: "Offenses" Article IV entitled: "Offenses Against Public Peace" is hereby amended by striking out the present sections 13-10 and 13-11 and substituting in place thereof a new section 13-10 entitled: "Regulations for the Control of Noise".

City of Cambridge

NOISE CONTROL REGULATION - CITY OF CAMBRIDGE

- I. Purpose
- II. Definitions
- III. General Prohibition of Noise Emissions
- IV. Prohibition of Noise Emissions in Dwelling Units
- V. Prohibition of Non-Measured Noise Polluting Acts
- VI. Restrictions - Zoning Districts
- VII. Restrictions - Construction Sites
- VIII. Restrictions - Noise Emitted from New Motor Vehicles
- IX. Interstate Motor Carrier Operation Standard
- X. Permits
- XI. Exemptions
- XII. Penalties
- XIII. Enforcement
- XIV. Conflict
- XV. Variances
- XVI. Severability

City of Cambridge

13-10. Regulations for the Control of Noise.

I. PURPOSE.

This ordinance provides standards for the control of noise pollution and prohibits those acts which most frequently create noise pollution. The general objectives of these standards are to secure the public health, comfort, convenience, and safety of, and to promote the welfare, prosperity, peace and quiet of, the citizens of the City of Cambridge.

Be it ordained by the City Council of the City of Cambridge as follows:-

II. DEFINITIONS.

Terms used in this ordinance shall be defined as follows:-

- ACOUSTICAL TERMINOLOGY** - Acoustical Terminology used throughout these regulations is that most recently approved as American Standard Acoustical Terminology by the American National Standards Institute (ANSI); except as may be specified otherwise herein.
- BUSINESS USE** - shall be as set forth in the Zoning Ordinance of the City of Cambridge Article IV, Section 2.
- CONSTRUCTION** - shall mean any and all physical activity necessary or incidental to the erection, placement, demolition, assembling, altering, cleaning, repairing, installing, or equipping of buildings and other structures, public or private highways, roads, premises, parks, utility lines, or other property, and shall include land clearing, grading, excavating, filling and paving.
- COMMERCIAL SERVICE EQUIPMENT** - shall mean all engine- or motor-powered equipment intended for infrequent service work in inhabited areas, typically requiring commercial or skilled operators (such as chain saws, log chippers, paving rollers, etc.).
- CONSTRUCTIVE DEVICE** - shall mean any powered device or equipment, designed and intended for use in construction. Examples of "construction devices" are air compressors, bulldozers, backhoes, trucks, shovels, derricks, or cranes.
- CONSTRUCTION SITE** - shall mean that area within which a contractor confines a construction operation. This includes defined boundary lines of the project itself plus any contractor staging area outside those defined boundary lines and used expressly for the construction.
- DAYTIME** - shall mean the period between the hours of seven ante meridian (7:00 A. M.) and six post meridian (6:00 P. M.) daily except Sunday according to the time system locally in effect.

City of Cambridge

dB is the abbreviation for decibel.

dB(A) shall mean the A-weighted sound level in decibels, as measured by a general purpose sound level meter complying with the provisions of Specifications for Sound Level Meters (Sl. 4 1971), American National Standards Institute (ANSI), properly calibrated, and operated on the "A" weighting network.

EMERGENCY WORK - work necessary to restore public or private property to a safe condition following a public calamity or work required to protect persons or property from an imminent exposure to danger. The necessity of such work shall be determined by the Building Superintendent or his deputy or by other authorized emergency or public utility personnel after consultation with the Superintendent of Buildings.

HOMEOWNER'S LIGHT RESIDENTIAL OUTDOOR EQUIPMENT - shall mean all engine- or motor-powered garden or maintenance tools intended for repetitive use in residential areas, typically capable of being used by a homeowner (such as lawn mowers, garden tools, riding tractors, snow blowers, snow plows, etc.).

Hz is the abbreviation for Hertz, which means cycles per second.

IMPACT DEVICE - shall mean a construction device in which or by which a hammer, meaning a moving mass of hard solid material, is mechanically by means of a working fluid or compressed air caused to repetitively impact upon and transmit kinetic energy to a tool. The tool may be included as part of the device, as in the case of a moil on a paving breaker or the drill steel or a jackhammer, or it may be a mass to which the impact device is temporarily connected as in the case of a pile and pile driver. Examples of impact devices are pile drivers, paving breakers and power impact hammers, impact wrenches, riveters and stud drivers.

INDUSTRIAL USE - shall be as set forth in the Zoning Ordinance of the City of Cambridge, Article IV, Section 2.

City of Cambridge

L₁₀ LEVEL

shall mean the A-weighted sound level exceeded 10% of the time.

NOISE POLLUTION -

means the presence of that amount of acoustic energy for that period of time necessary:-

- a) to cause temporary or permanent hearing loss in persons exposed;
- b) to otherwise be injurious, or tend to be, on the basis of current information, injurious, to the public health or welfare;
- c) to cause a nuisance;
- d) to interfere with the comfortable enjoyment of life and property or the conduct of business; or
- e) to exceed standards or restrictions established herein or pursuant to the granting of any permit by the Superintendent of Buildings.

NON-MEASURED NOISE POLLUTION ACTS -

Uses and activities that create or cause to be created loud and unnecessary noises which, by virtue of the nature, duration or time of occurrence, are not readily subject to measurement by official testing devices.

PAVING BREAKER -

shall mean any hydraulically or pneumatically powered impact device intended to cut or trench pavement, subbase macadam, gravel, concrete or hard ground.

PERSON -

means an individual, partnership, association, firm, syndicate, company, trust, corporation, department, bureau or agency, or any other entity recognized by law as the subject of rights and duties.

PILE DRIVER -

shall mean an impact device designed or used for the driving of piles, columns and other supports into soil or other material by means of impact, vibrations, pressure or other means.

City of Cambridge

RESIDENTIAL USE -

shall be as set forth in the Zoning Ordinance of the City of Cambridge, Article IV, Section 2.

SOUND PRESSURE LEVEL (SPL) -

shall be numerically equal to twenty times the logarithm (to the base ten) of the sound pressure to the reference sound pressure (the reference sound pressure shall equal twenty micropascals.) Unless otherwise stated, the level is understood to be that of a root mean-square pressure.

ZONING DISTRICTS -

shall mean the zoning districts and land uses therein as established by the Zoning Ordinance of the City of Cambridge.

III. GENERAL PROHIBITIONS OF NOISE EMISSIONS.

- A. No person or persons owning, leasing, or controlling the operation of any source or sources of noise shall willfully, negligently, or through failure to provide necessary equipment or facilities or to take necessary precautions, permit the establishment or continuation of a condition of noise pollution.

IV. PROHIBITION OF NOISE EMISSIONS WITHIN DWELLING UNITS.

- A. It shall be unlawful for any person or persons owning, leasing, or controlling the operation of any source or sources of noise to make continue or cause to be made or continued any loud, unnecessary or unusual noise within a dwelling unit which either annoys, disturbs, injures or endangers the comfort, repose, health, peace or safety of other living in adjacent dwelling units or otherwise living in close proximity to the source of noise.

V. PROHIBITION OF NON-MEASURED NOISE POLLUTING ACTS.

- A. The following acts, among others, are declared to be loud, disturbing and unnecessary noises in violation of this ordinance, but said enumeration shall not be deemed to be exclusive namely:

- 1) Horns, Signaling Devices, etc. The sounding of any horn or signalling device on any automobile, motorcycle, street car or other vehicle on any street or public place of the city, except as a danger warning; the creation by means of any such signalling device of any unreasonably loud or harsh sound; and the sounding of any such device for an unnecessary and unreasonable period of time. The use of any signalling device except one operated by hand or electricity; the use of any horn, whistle or other device operated by engine exhaust; and the use of any such signalling device when traffic is for any reason held up.

City of Cambridge

- 2) Radios, Phonographs, etc. The using, operating, or permitting to be played, used or operated any radio receiving set, musical instrument, phonograph, loudspeaker or public address systems, unless used by the City of Cambridge or other machine or device for the producing or reproducing of sound in such manner as to disturb the peace, quiet and comfort of the neighboring inhabitants or at any time with louder volume than is necessary for convenient hearing for the person or persons who are in the room, vehicle or chamber in which such machine or device is operated and who are voluntary listeners thereto. The operation of any such set, instrument, phonograph, machine or device between the hours of eleven o'clock P. M. and seven o'clock A. M. on weeknights and twelve o'clock P. M. and seven o'clock A. M. on weekend nights in such a manner as to be plainly audible at a distance of fifty (50) feet approximately fifteen (15) meters from the building, structure, vehicle, or dwelling unit in which it is located shall be prima facie evidence of a violation of this section.
- 3) Yelling, Shouting, etc. Yelling, shouting, hooting, whistling, or singing on the public streets, particularly between the hours of 11:00 P. M. and 7:00 A. M. or at any time or place so as to annoy or disturb the quiet, comfort, or repose of persons in any office, or in any dwelling, hotel or other type of residence, or of any persons in the vicinity.
- 4) Animals, Birds, etc. The keeping of any animal or bird which by causing frequent or long continued noise shall disturb the comfort or repose of any persons in the vicinity.
- 5) Steam Whistles. The blowing of any locomotive steam whistle of steam whistle attached to any stationary boiler except to give notice of the time to begin or stop work or as a warning of fire or danger, or upon request of proper city authorities.
- 6) Exhausts. The discharge into the open air of the exhaust of any steam engine, stationary internal combustion engine, motor boat, or motor vehicle except through a muffler or other device which will effectively prevent loud or explosive noises therefrom.

City of Cambridge

- 7) Defect in Vehicle or Load. The use of any automobile, motorcycle, or vehicle so out of repair, so loaded or in such manner as to create loud and unnecessary grating, grinding, rattling or other noise.
- 8) Loading, Unloading, Opening Boxes. The creation of a loud and excessive noise in connection with loading or unloading any vehicle or the opening and destruction of bales, crates, and containers.
- 9) Drums. The use of any drum or other instrument or device for the purpose of attracting attention by creation of noise to any performance, show, sale, or exhibition.
- 10) Hawkers, Peddlers. The shouting and crying of peddlers, hawkers and vendors which disturbs the peace and quiet of the neighborhood.

VI. NOISE RESTRICTIONS ACCORDING TO ZONING DISTRICTS.

A. This regulation shall apply to the use or occupancy of any lot or structure thereon and to the noise produced thereby, but shall not apply to the following:-

- 1) To the intermittent or occasional use, during the daytime, of light homeowner's residential outdoor equipment or commercial service equipment provided said equipment and its use complies with other provisions of these regulations;
- 2) To construction activities and the associated use of construction devices nor to the noise produced thereby, provided such activities, and such equipment and its use, comply with other provisions of these regulations;
- 3) To the operation of any motor vehicle on any public way, nor to the noise produced thereby.

B. NOISE IN RESIDENTIAL ZONING DISTRICTS OR AFFECTING RESIDENTIAL PROPERTY.

No person shall create or cause to be emitted from or by any source subject to regulation VI any noise which causes or results in a noise level, measured at any lot line of any lot located in any Residential Zoning District or in residential use elsewhere in conformance with the Cambridge Zoning Ordinance, in excess of any level of the "Residential District Noise Standard", Regulation VI. E., provided that if said lot is located in any Industrial District, the noise level measured at the lot line shall not exceed any level of the "Residential-Industrial Noise Standard", Regulation VI. E. Noise emitted from construction sites shall be excepted from this regulation.

City of Cambridge

C. NOISE IN BUSINESS, OFFICE ZONING DISTRICTS.

No person shall create or cause to be emitted from or by any source subject to Regulation V any noise which causes or results in a noise level, measured at any lot line of any lot in any Business Zoning District other than a lot in residential use in conformance with the Cambridge Zoning Ordinance, in excess of any level of the "Business Distruct Noise Standard", Regulation VI. E. Noise emitted from construction sites shall be excepted from this regulation.

D. NOISE IN INDUSTRIAL ZONING DISTRICTS.

No person shall create or cause to be emitted from or by any source subject to Regulation VI, any noise which causes or results in a noise level, measured at any lot line of any lot in recreational or business use in any Industrial Zoning Distruct in conformance with the Cambridge Zoning Ordinance, in excess of any level of "Industrial District Noise Standard", Regulation VI. E. Noise emitted from construction sites shall be excepted from this regulation.

E. ZONING DISTRICT NOISE STANDARDS.

Noise standards referred to in these Regulations for the several zoning districts of the City of Cambridge, as defined in and established pursuant to the Cambridge Zoning Ordinance are as established by the following Table.

TABLE OF ZONING DISTRICT NOISE STANDARDS

Maximum Allowable Octave Band Sound Pressure Levels

Octave Band Center Frequency of Measurement (Hz)	Residential		Residential in Industrial		Office Business	Industry

City of Cambridge

VII. RESTRICTIONS ON NOISE EMITTED FROM CONSTRUCTION SITES.

- A. Except as provided for in Regulation VII. C. and VII. D., it shall be unlawful for any person to operate any construction device or devices on any construction site if the operation of such device or devices emits noise, measured at the lot line of the affected property, in excess of the values shown below:-

<u>LOT USE OF AFFECTED PROPERTY</u>	<u>L₁₀ LEVEL</u>	<u>MAX. NOISE LEVEL</u>
Residential	75 dB(A)	86 dB(A)
Business or Office	80 dB(A)	-----
Industrial	85 dB(A)	-----

The same level shall apply to a public way as applies to an industrial use. Measurements should not be taken closer than fifty feet or approximately fifteen (15) meters from the nearest active construction device on the construction site. The maximum noise level shall be measured on the sound level meter at slow response.

- B. THE L₁₀ LEVEL SHALL BE DETERMINED IN THE FOLLOWING MANNER:-

- 1) Every ten seconds, on the mark, the A-weighted noise level on the sound level meter with slow response is recorded until 100 observations have been made. If, during any of these observations, a measurement is substantially affected by any source outside the construction site (such as aircraft overflight), measurements made during these periods will not be considered. However the observation period shall be extended until 100 valid measurements are obtained. The L₁₀ level will be that level that is equal to the tenth highest level recorded.
- 2) If in the estimation of the person taking the measurements, outside noise sources contribute significantly to the noise level, the above procedure shall be repeated (with the same outside noise source contributions) when construction is inactive, in order to determine the existing background L₁₀ level. The L₁₀ level during construction must exceed the background L₁₀ level by 5 dB(A) to be considered a violation of Regulation VII. A.

City of Cambridge

- C. Except as provided for in Regulation VII. D., it shall be unlawful to operate a construction device at any street excavation, grading or repair, utility street work installation or repair, which produces a noise level exceeding 86 dB(A) at a distance of fifty (50) feet or approximately fifteen (15) meters from the device.

The provisions of Regulation VII. A., shall not apply to any construction site covered by Regulation VII. C. The provisions of Regulation VII. C. will not be applicable to any construction device used in emergency service work that is necessary to return utility service to an area provided that within twenty-four (24) hours such device is brought into compliance with Regulation VII. C. or is not reused within the City until it does comply.

- D. The provisions of Regulation VII. A. and VII. C. shall not be applicable to impact devices.

VIII. RESTRICTIONS ON NOISE EMITTED FROM NEW MOTOR VEHICLES.

No person shall sell or lease a new motor vehicle that produces a maximum noise level, in dB(A), exceeding the following limits (measured at a distance of fifty (50) feet approximately fifteen (15) meters from the center line of travel.)

Date of Manufacture of vehicle	Light Motor vehicle	Heavy Motor vehicle	Motorcycle
after date or ordina- tion	80	84	84
after January 1, 1980	75	75	75

IX. INTERSTATE MOTOR CARRIER OPERATION STANDARDS.

No motor carrier subject to these regulations shall operate any motor vehicle of a type to which this regulation is applicable which at any time or under any condition of highway grade, load, acceleration or deceleration generates a sound level in excess of 88dB(A) measured on an open site with fast meter response at fifty (50) feet from the centerline of lane of travel on highways with speed limits of thirty-three (33) MPH or less; or ninety (90) dB(A) measured on an open site with fast meter response at fifty (50) feet from the centerline of lane of travel on highways with speed limits of more than thirty-five (35) MPH.

City of Cambridge

X. PERMITS - GENERAL.

- A. A permit shall constitute permission to use or to allow the use of a device or to engage in an activity to which reference has been made in these Regulations or in the Ordinances of the City of Cambridge.
- B. All applications for permits shall be made to the Superintendent of Buildings in such form and detail as he shall prescribe. Such application shall not relieve any person from otherwise complying with the provisions of these Regulations or any other law or ordinance.
- C. Such permit shall include such provisions and conditions as the Commissioner may deem necessary to protect the public health, welfare and comfort.
- D. Any permit required by these Regulations shall be displayed to any police officer or employee of the Building Department upon request.
- E. Any permit issued by the Superintendent of Buildings under the provisions of these Regulations may be revoked for violation of any of the terms and conditions of such permit.

XI. EXEMPTIONS.

- A. The following uses and activities shall be exempt from noise level regulations:-
 - 1) Noises of safety signals, warning devices, and emergency pressure relief valves.
 - 2) Noises resulting from any authorized emergency vehicle, when responding to an emergency call or acting in time of emergency.
 - 3) Any other noise resulting from activities of a temporary duration permitted by law and for which a license or permit there-fore has been granted by the City in accordance with Section X of this Ordinance.
 - 4) Any aircraft operated in conformity with, or pursuant to, federal law, federal air regulations, and air traffic control instruction used pursuant to and within the duly adopted federal air regulations shall be exempt from the regulations of this ordinance. Any aircraft operating under technical difficulties, in any kind of distress, under emergency orders of air traffic control or being operated pursuant to and sub-sequent to the declaration of an emergency under federal air regulations shall also be exempt from the provisions of this ordinance.

City of Cambridge

5) Noises resulting from emergency work as defined in DEFINITIONS SECTION.

XII. PENALTIES.

- A. Any person who violates any provision of this ordinance shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined an amount not exceeding \$100.00, or by imprisonment for not more than five (5) days, or by both said fine and said imprisonment.
- B. Every day that the offense continues shall be considered a separate violation.

XIII. ENFORCEMENT.

- A. The Chief of Police of the City of Cambridge shall be the officer charged with the enforcement of this ordinance. He shall, at any time necessary, call on the Superintendent of Buildings or his deputy to provide personnel to perform such tests as the Chief of Police deems necessary to determine violations of this ordinance.

XIV. CONFLICT WITH OTHER REGULATIONS.

- A. The noise regulations shall not relieve any person from complying with other laws, statutes, codes, regulations, or ordinances of the Commonwealth or of the City of Cambridge.

XV. VARIANCES.

- A. The Superintendent of Buildings may grant variances after public hearing or may reject applications on review without a hearing. Variances thus granted may be effective for no longer than one year.

XVI. SEVERABILITY.

AN ORDINANCE

Be it ordained by the City Council of the City of Cambridge as follows:

Chapter thirteen entitled "Offenses" is hereby amended by adding after Section 13-15 a new section 13-15A entitled "Certain handgun transactions prohibited," which reads as follows:

Section 13-15A. Certain handgun transactions prohibited.

(a) Findings. The City Council finds and declares that:

(1) Handguns play a major role in the commission of homicide, aggravated assault, armed robbery, and accidental injury and death.

(2) Handguns should therefore not be readily available within the city of Cambridge.

(3) In order to promote and protect the public health, safety, and welfare, to preserve peace and good order, and to maintain the internal police of the city, it is necessary to regulate certain handgun transactions.

(b) Definition. As used in this section, "Handgun" means any firearm, as defined in section one hundred twenty-one of chapter one hundred forty of the General Laws, of which the length of barrel is less than ten inches.

(c) Prohibition. Any person who sells, rents or leases a handgun shall be punished by a fine of not more than three hundred dollars. Each such sale, rental or lease shall constitute a separate offense.

(d) Exceptions. This section shall not apply to:

(1) any person who holds a license to sell, rent or lease firearms from the Cambridge Chief of Police under section one hundred twenty-one of chapter one hundred forty of the General Laws, if the license was first issued on or before May 15, 1986; nor

(2) any person to whom any license mentioned in paragraph (1) is transferred; nor

(3) any person or circumstance mentioned in section one hundred twenty-eight A of said chapter one hundred forty.

In City Council August 4, 1986.

Passed to be ordained as amended by a yea and nay vote:

The Committee on Ordinances conducted a public hearing on Tuesday, July 15, 1986 beginning at 6:25 P.M. in the Seltman Chamber at City Hall. The purpose of the hearing was to consider and receive ~~the~~ a proposed amendment to the General Ordinances of the City of Cambridge relative to "Electronic key-bellin devices".

At this time Committee William Walsh, Chairman of the committee called the hearing to order and recognized Councillor Francis Durban.

Councillor Durban stated he had requested

that such an amendment be prepared in response to continuing complaints from residential neighbors who experience problems with these so-called "bug-billing" machines which often remain on 24 hours per day, prohibiting people from sleeping. He further stated that the proposed amendment would prohibit the use of such devices during the hours of 11 P.M. and 8 A.M. if a written objection to such use by an abutter has been received by the City Clerk within one year.

The Committee was in receipt of
 written ~~the~~ recommendations supporting
 the proposed amendment from Mr. and
 Mrs. Keenan Spiller, 77 Keshland Street
 Canby and Mr. and Mrs. Benjamin
 Schwartz, 3 Sedgwick Road, Canby.

No one appeared in opposition to
 the proposed amendment.

At this time Councilman Francis
 Duxbury moved the proposed amendment
 be referred with a favorable recommendation
 to the full City Council.

The motion prevailed

The hearing was adjourned at 6:40
