

In Metropolitan District Commission
Boston, Mass., December 8, 1966

ORDERED that, on petition of New England Telephone and Telegraph Company dated November 14, 1966, for locations shown on plans of New England Telephone and Telegraph Company dated September 16, 1966, and indexed accession numbers 44357X, 44358X and 44359X, for approximately 1270 feet of underground conduit, one splicing chamber and one cable pulling hole in Main Street, at Memorial Drive and Longfellow Bridge, Cambridge, and for approximately 924 feet of underground conduit, one splicing chamber and one cable pulling hole with the necessary structural supports in Longfellow Bridge, Boston, for the transmission of intelligence by electricity, said location having been found by order of the Department of Public Utilities to be required by public convenience and necessity, said plans and petition being on file in the office of this Commission, a hearing on said petition having been given by this Commission on Thursday, December 8, 1966, at 9:45 A.M., at the office of the Commission in Boston, of which hearing due notice was given to all persons interested of the time and place by publishing a copy of said petition and the order of notice issued thereon by This Commission in newspapers published in the Cities of Boston and Cambridge, being the cities in which the locations petitioned for would lie, the first publication having been made at least fourteen days prior to the date of said hearing, and it appearing, in the opinion of this Commission that public convenience and necessity so require, said New England Telephone and Telegraph Company is hereby granted location for said conduit, splicing chambers and cable pulling holes with the necessary structural supports in said Main Street and Longfellow Bridge, insofar as the interest and jurisdiction of the Metropolitan District Commission is concerned, and to the extent and upon the terms, conditions and obligations hereinafter specified,

the same being such as the public necessity and a due regard for the rights of the Commonwealth require, namely:-

1. The New England Telephone and Telegraph Company shall conform to all provisions of law applicable to the exercise of the rights and performance of the work under this grant and to the rules and regulations of the Metropolitan District Commission.

2. The New England Telephone and Telegraph Company shall do the work of installing said conduit, splicing chambers and cable pulling holes with the necessary structural supports in the location hereby granted subject to the approval of the Director of Park Engineering of the Commission as to time, manner and location and in all other respects.

3. Said New England Telephone and Telegraph Company shall indemnify and save harmless the Commonwealth of Massachusetts and the Metropolitan District Commission from any damage it or they may sustain or be required to pay arising out of the exercise by said Company of the rights hereby granted or by reason of any negligence of said Company or any of its employees in connection with the work done hereunder.

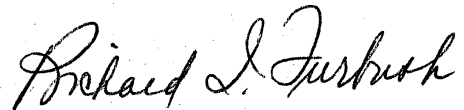

4. Said New England Telephone and Telegraph Company shall protect and maintain all trees, drainage or water pipes, and all appurtenances or structures either above or below the surface of the ground over which this location lies, and upon completion of the work shall restore the surface of the ground to the condition in which it was at the time of this grant and in a manner satisfactory to said Director of Park Engineering of the Commission, and shall maintain the surface of the ground and the location throughout in such condition to the satisfaction of said Director.

5. The New England Telephone and Telegraph Company shall place and maintain proper barriers at all times and from the beginning of twilight through the whole of every night sufficient lights to protect the public

from injury or damage during the progress of the work under this grant or during repairs upon said conduit, splicing chambers and cable pulling holes with the necessary structural supports and work on the location which may hereafter become necessary.

6. No work shall be done under this grant without first obtaining a permit therefor from said Director of Park Engineering and subject to conditions imposed by him.

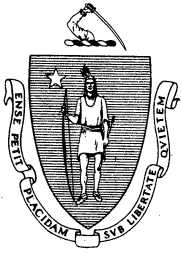

The above is a true copy of order passed at a Meeting of the Metropolitan District Commission, held in Boston on Thursday, December 8, 1966, as appears by record in this office.
