

City of Cambridge

IN BOARD OF ALDERMEN,

May 29th, 1900.

Ordered,

On the petition of the Trustees of the University Associates, that the Superintendent of Streets be authorized under the provisions of Section 26 of Chapter 25 of the Revised Ordinances of 1892, as amended to November 8, 1899, to grant a license to the Trustees of the University Associates to construct and maintain an area below the sidewalk of No. 1312 Massachusetts Avenue, to be covered with prismatic sidewalk lights set in concrete in a steel frame and including one opening or scuttle for coal to be similarly covered. The area to have a width of four (4) feet beyond the building line and a length of sixteen (16) feet parallel to the building line and to be enclosed by a retaining wall of stone not less than eighteen (18) inches in thickness. Said area and its covering materials to be constructed in accordance with a plan furnished by the petitioners and approved by the Inspector of Buildings, and the entire construction and the material used to be satisfactory to the City Engineer and the Superintendent of Streets.

Provided, that before constructing said area the petitioners shall file with the City Clerk a satisfactory bond in the sum of Five Thousand Dollars (\$5000.00) conditioned to save harmless the city of Cambridge from all claims for damages arising from the construction and maintenance and use of said area and its covering. The bond to be subject to the approval of the Mayor.

ADOPTED.
