Subject Request for attendance of D.P.U. hearings
scheduled for May 22nd & May 30th, 1984

Enclosed you will find copies of two notices of public hearings to be held by the Department of Public Utilities, as received by the City Council at its meeting of Monday, April 30th, 1984.

At the April 30th meeting of the Council, Councillor Vellucci made a motion that a representative of the City Manager, City Solicitor and an expert in gas detection appear at the first hearing scheduled for May 22nd, with regard to the adoption of proposed regulations creating test procedures for new residential and small commercial gas meters.

Also at the April 30th meeting, Councillor Vellucci made a motion that a representative of the City Manager, City Solicitor and City Clerk appear at the second hearing scheduled for May 30th, and state the Council's opposition to an increase in rates and charges by Boston CGSA, Inc.

Your very kind attention in this matter will be greatly appreciated by the City Council.

NOTICE OF PUBLIC HEARING

The Department of Public Utilities will hold a public hearing on May 22, 1984 to determine whether the Department should adopt proposed regulations designed to create sample test procedures for new residential and small commercial gas meters.

The proposed regulations would establish procedures for the sample testing of new residential and small commercial gas meters. New meters would be selected at random for testing by the Department. If a sufficient number of meters from a given lot or batch were rejected, then the entire lot or batch would be rejected.

Presentation of data, views or argument relating to the proposed regulations may be submitted by any interested persons at a public hearing to be held on May 22, 1984 at 10:00 a.m. in the forenoon at the Department offices, 100 Cambridge Street, Boston, Massachusetts.
