Deputy City Manager

September 10, 1990

To the Honorable, the City Council:

In response to Awaiting Report #10 of December 18, 1989 regarding safety at the intersection of Hampshire and Columbia Streets, please be advised of the following:

The Traffic Department reviewed the traffic data and met with day care center personnel and area residents to discuss safety issues at this intersection. Deputy Traffic Director Lauren Preston reports that this resulted in a change to the signal timing, implemented this Spring, to increase safety at this intersection. The signal timing now includes a two second all red clearance for all phases.

Very truly yours,

Robert W. Healy
City Manager
