Whereas

Employment Resources Inc., has been designated by City Ordinance to administer the City of Cambridge 25% residency and requirement for construction jobs has been budgeted to administer such program.

Whereas; and

It has been brought to my attention by one and many Cambridge citizens, that with all the construction and/or development going on in our city the number of Cambridge residents hired is very poor, and

Whereas;

It has been reported to me that hundreds of skilled and unskilled workers are being brought into Cambridge to work on Cambridge ~~and~~ construction jobs, thereby depriving Cambridge residents an opportunity to work, and

Whereas;

It has also been reported to me that the number of minority workers employed on the construction of office buildings, apartment buildings and commercial building is poor, and

Whereas; ~~and~~ all developers who come into Cambridge to "make money" are granted many privileges, such as liquor licenses, hotel licenses, etc., sometime 5, six or seven licenses ~~at~~ for one business, therefore

Be it Resolved;

That this city Council hold a "full blown" hearing in Council and that the Director of Community Development, city manager, any and all unions in Cambridge be invited to attend and also the Director of Employment Resources Incorporated.
