From Paul E. Healy, City Clerk

Reference

Subject Alternate use of funds designated for the
on-grade pedestrian crossing at Fort Wash-
ington Park

With regard to City Council Agenda Item No. 6 of April 1, 1985, relative to the alternate use of funds designated for the on-grade pedestrian crossing at Fort Washington Park, please be advised that Councillor Duehay has requested that the City Council be provided with all background material and documents on this project indicating the need and requirement that a pedestrian bridge be constructed in connection with other neighborhood improvements. (Said Agenda Item was Tabled at the meeting of April 1st and appears on the Calendar as Item No. 13).

Your very kind attention in this matter will be greatly appreciated by the City Council.

IN CITY COUNCIL

April 1, 1985

COUNCILLOR WOLF

ORDERED: That in relation to Agenda Item No. 6 regarding an alternate use of funds designated for the on-grade pedestrian crossing at Fort Washington Park, the funds be re-programmed for some other appropriate neighborhood use other than an overhead pedestrian bridge, and that a formal request for such action be made to the State Department of Public Works.

EXECUTIVE DEPARTMENT
ROBERT W. HEALY
City Manager

April 1, 1985

To the Honorable, the City Council:

With respect to Awaiting Report Item No. 25 regarding alternate use of the funds designated for the on-grade pedestrian crossing at Fort Washington Park, please be advised that Kathy Spiegelman will be meeting with State officials on Monday, April 1, 1985, to discuss the issue.

However, it is my belief, based on the commitment made in the application and the Council Resolution of April 12, 1982 authorizing the City Manager to file the application, that the major elements contained in the original plan should be adhered to.

Very truly yours,

Robert W. Healy
City Manager
