PETITION FOR
LEGAL CROSSWALK
ACROSS MASS AV.
AT ELLERY ST

Gentlemen:

We, the undersigned, live, work, or walk near the corner of Massachusetts Avenue and Ellery Street. We want a safe, legal crosswalk. We dislike the option of jaywalking across Massachusetts Avenue and therefore strongly request a legal crosswalk across Massachusetts Avenue at the West side of Ellery Street, opposite Barsamian's Market.

Among our reasons:

- Current legal sidewalks are too far away to dissuade jaywalking (about 300 ft. further east or west, for a 200 yard detour).
- Auto and truck traffic is two way, heavy and dangerous. Drivers are often distracted by jaywalkers, parking cars, turning cars and store windows. A fatality may occur at anytime.
- Barsamian's Market serves hundreds of pedestrians a day who are either shopping or simply stopping in for coffee. Many shoppers cross and re-cross Massachusetts Avenue with grocery bags in their arms.
- Many furniture shoppers cross back and forth at this corner in an attempt to compare prices among the many furniture stores on both sides of the street.
- Cambridge Rindge and Latin High School is directly up Ellery Street and many students also cross at this intersection.

In conclusion, hundreds of local residents and area employees are forced to jaywalk across Massachusetts Avenue at Ellery Street on a daily basis, risking life and limb. We request a safe, legal crosswalk.
