To the Honorable, the City Council:

With respect to Order Number 8 adopted by your Honorable Body on May 12, 1975, this is to advise you of action I have taken to resolve the parking problem at Comeau Field.

On my instructions the portion of the Comeau Playground parking lot to be used for recreational events has been posted with a sign reading "Parking by Permission of Superintendent of Recreation; Violators will be Towed".

To insure that these instructions are observed, I have directed the Police Department to keep the lot under constant surveillance, and to permit use of the lot only by those clearly intending to use recreational facilities. To my knowledge, these instructions have effectively stopped all other uses of the lot.

Very truly yours,

James L. Sullivan
City Manager
