of informal atmosphere of learning. The library also hosts a few special events throughout the year. A wood carving contest has drawn neighborhood families to the library for seven years.

Our next big event is the Rogers celebration. It is a wonderful program that includes music and food and honors the many cultures of Portuguese speaking peoples. We are very proud of our collection of Portuguese language materials. Numbering at about 6,000 volumes, it is the largest circulating collection of its kind in the greater Boston area. It is through the generosity of the Rogers family of East Cambridge that the collection has grown over the last 16 years. Everyone is welcome to join us for the Rogers Program, on Wednesday, May 24th at 6:30 PM.

Visit the Valente Branch Library and you'll see why so many people come to this friendly spot for books, information, a welcoming smile and a little fun.

A REMINDER:

The O'Neill Branch will be re-opening during the first two weeks of June and will re-open in the completed gym of the library services.
