

June 30, 1947

Councillor DeGuglielmo

ORDERED:-

That the City Manager be and hereby is requested to direct the City Electrician to install a Street-light on Second Street, between Core and Cambridge Streets

Cambridge, June 12, 1947

To the Honorable, the City Council of the
City of Cambridge:.

The undersigned respectfully pray

that a new street light be installed immediately on Second Street, between Cambridge and Gore Streets, in East Cambridge. The necessity has been brought about by the installation of the new lights on Cambridge Street, which cast a shadow and leaves Second Street, in total darkness, making it unsafe for women and children, to walk thereon.
