

Cambridge February 1872

To his Honor the Mayor

and Board of Aldermen

Gentlemen

The undersigned, Real Estate owners and others interested, would respectfully call your attention to the unfinished state in which Dunster Street, was left, last year, after the improvement made on Wm Wright esqrs Estate.

They would pray that the design, then made be carried out, commencing at the abrupt projection; — which is certainly dangerous, and also very inconvenient to all pedestrians, who pass that way: — and so continue as commenced, terminating at the head of Wm T. Richardson Wharf. All of which we humbly submit to your better judgment; ever praying your honorable body will concur in the wishes of the undersigned
