To the Honorable, the City Council:

With respect to Awaiting Report Item No. 1 regarding NO SMOKING sections in restaurants, enclosed are the surveys taken by the Environmental Sanitation Inspectors which basically indicate that of the forty restaurants surveyed, seven have arranged for "no smoking" sections but only one of the seven has indicated heavy use of that section. Those that have not provided a section indicate a willingness to do so if the demand exists.

Very truly yours,

James L. Sullivan
