

They further beg that no order be taken for the construction of such sidewalks in front of the three adjoining Estates represented in this petition.

The objection to it is based upon grounds of taste and expenses, in addition to which attention is requested to the fact that there is a brick sidewalk the whole line of these estates on the southerly side of the Street, for the accommodation of those desiring it.

Case of John A. Jones vs. Case

To the Honorable the
Mayor and Aldermen
of the City of Cam-
bridge:

The Undersigned, having
seen in a report of the doing
of your body, that "No appear-
ance being made against the
construction of a brick sidewalk
the whole length of Harvard
street on the northerly side, the
matter was laid on the table
for further action,"— respect-
fully represent that the matter
was supposed settled for the
present season, by the report
some weeks since "Inexpedient
to construct brick sidewalks
this year on Harvard & Austin streets."
