ABOUT AIDS

Valerie

January 20, 1998

Dear Friends of CCAA,

The Board of Directors of Cambridge Cares About AIDS is pleased to announce the hiring of Valerie J. Langbehn as Interim Executive Director.

Ms. Langbehn brings to this position a great deal of experience in management, business and finance, and most importantly in HIV and AIDS. She served as the Director of Development at the AIDS Action Committee in Boston from 1989 until early 1996. Prior to her work with AIDS Action, Val was a stockbroker for six years with Merrill Lynch and Shearson. She served for eight years with various United Ways culminating with her service as Vice President of Fundraising in Albuquerque, New Mexico. More recently Ms. Langbehn has gained experience running AIDS service organizations in Massachusetts serving as Interim Executive Director with AIDS Project Worcester and with Strongest Link AIDS Services on the North shore.

Val will be providing executive oversight as well as working with us in assessing our current systems, services and programs. Working closely with the Board of Directors, she will spearhead a comprehensive search process for the new permanent Executive Director at the appropriate time.

We are very excited to secure the services of Ms. Langbehn and encourage you to contact her directly to introduce yourself. She will be reaching out to the community to introduce herself over the next few months.

Shannon Alo, who has done a yeoman's job leading the agency for the past year, will remain with the agency in the role of Deputy Executive Director. We are pleased that she will stay on and assume responsibility for program development and oversight as well as fulfilling other day to day management duties.

The board is proud of the staff at CCAA for their flexibility and their ability to provide the highest quality of service during the many recent transitions. We will continue to focus on client needs and our work in preventing the spread of HIV in the Cambridge/Somerville community.

Thank you for your ongoing support of Cambridge Cares and for your support for the needs of those in our community infected and affected by HIV. We look forward to continuing this fight together.

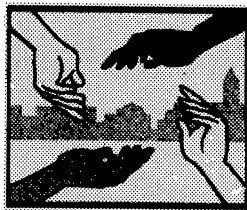

Sincerely,

A handwritten signature in black ink, reading "Melvin H. Chalfen MD". The signature is fluid and cursive, with the "MD" at the end being more distinct.

P.S. A financial donation as we start the New Year would be most appreciated. Our need for private support is great. Thank you.
