Subject: Appointment of Committee

I am appointing herewith the City's Committee on Cambridge 350th Anniversary. The membership of this committee is given in the attachment to this memorandum. I am also attaching the Cambridge City Council's resolution regarding the committee.

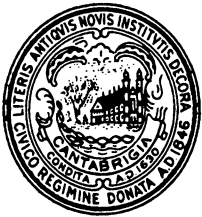

As stated in the resolution, Mayor Danehy will appoint three City Councillors as a sub-committee to work with the Committee on Cambridge 350th Anniversary. The actual day of the anniversary of the founding of Cambridge is December 18, 1980, and we have in mind a major event at that time.

My thanks are extended to the members of this committee and the City Council for their willingness to arrange and manage an appropriate celebration of this historic event.
