Program Coordinator
Training Innovations, Inc.

To the Honorable, the City Council
Cambridge City Hall
795 Massachusetts Avenue
Cambridge, MA 02139

To the Honorable, the City Council:

Please accept my profound thanks for the resolution that was introduced by Councillor Sullivan and co-sponsored by all members of the City Council. It was really great to receive a call from City Clerk Margaret Drury to know of the City Council's interest in the kick-off of the KNAC program. With a touch of humor I can say that I actually enjoy receiving the resolutions as much as writing them.

More seriously, please know that Linda Hiltz, our program coordinator and me appreciate the resolution very much. As I travel around the city, I see that others take a great deal of pride in the actions of the City Council, as resolutions are often prominently displayed in their offices. Please know that on a personal level I have great respect for the work that each of you conducts.

The KNAC program got-off to a great start on March 22. We had a really moving event with parents, young people, and mentors, as well as the Superintendent and the Deputy Superintendent, elected officials, program collaborators and special guests among others. It is starting off like a really good program, and I look forward to keeping in touch with you.

Thank you also to Council Executive Assistant, Sandra Albano for forwarding the resolution, and for the kind note.

Thank you again.

With warm regards,

Sincerely,

Jonathan S. Myers
Executive Director

Consent Communication #4 ²⁶⁷ S
