RE: Public Hearing on
Lease of Parking Lot
September 22, 1986
City Council

Pursuant to a recent conversation you had with Joe Kellogg of my staff, I am hereby requesting that the public hearing referenced above be delayed.

As you discussed with Mr. Kellogg, there remain some outstanding issues between Schochet Associates, the proposed Lessee, and the Area Four neighborhood regarding the lease. It appears that these issues will be resolved, but not in time for the September 22 hearing. Both the developer and neighborhood have therefore requested that the hearing be delayed until such time as an agreement can be reached between the two parties.

If you have any questions on this request, please contact my office.

Thank you.

Re: 595 Massachusetts Avenue

Dear Mr. Rosenberg:

We hereby request that the public hearing scheduled September 22, 1986 at City Council regarding the land lease of the City-owned parking lot at Essex Street and Bishop Allen Drive be continued.

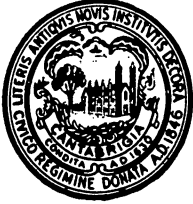

As you know, we are close to finalizing our agreement with the Area 4 Neighborhood Coalition and would like an opportunity to review this with the general neighborhood. We understand from the Coalition that an open neighborhood meeting could occur on October 16, 1986 which would allow us to be on the City Council agenda October 20, 1986. We will confirm the dates with you shortly.

Very truly yours,

Shelley C. Miller
