City Council
Cambridge Mass,

Dear Friends,

It is my understanding that we have appropriated \$25,000. for a war memorial. It is my plea that instead of a monument of stone we create a living memorial to our men. -

A Building for youth groups to meet in - A swimming pool - a play ground - lets put the money into something that will be of real use to Cambridge - This is the way that, I believe, they would want it done.

Yours for a better Cambridge
