**SPECIAL NOTICE !! SPECIAL NOTICE !! SPECIAL NOTICE !!  
SPECIAL HALF DAY EDUCATIONAL PROGRAM ON**

**"MUNICIPAL GUIDE TO THE TELECOMMUNICATIONS ACT OF 1996"**

**WEDNESDAY, APRIL 16, 1997; 3:00 P.M. TO 9:30 P.M.  
THE HOLIDAY INN, WORCESTER**

Is your community prepared for the impact of the Telecommunications act of 1996? Do you have your tel-tower by-law or ordinance in place? How are you going to deal with right of way issues? Do you know this law can result in income to your community? To learn about these and other important issues, you should attend the special educational seminar on "MUNICIPAL GUIDE TO THE 1996 TELECOMMUNICATIONS ACT" which will be held during our April 16th meeting, which is also the Association's Annual Business meeting and Election of Officers. The seminar will begin at 3:00 p.m. and will break at 6:15 p.m. for the reception, dinner, business meeting/election, followed by the conclusion of the program, ending at 9:30 p.m.

This program is designed to help you become more familiar with the impact of the Telecommunications Act of 1996 on your community and what you need to do in terms of zoning, right of way issues, leasing of municipal property for cell towers and much more. This important program will address a wide range of issues arising from the Telecommunications Act of 1996, including telecommunication towers, zoning, ordinance/by-law drafting, lease agreements and economic issues which may provide financial benefits to your community, technological issues for the lawyer, moratoriums, the changing role of the DPU, right of way issues, litigation over towers and more. Communities can not prohibit such towers, but can regulate them. Does your community have a by-law, ordinance or moratorium in place? Better act now before it is too late!! This is one of the hot topics for 1997.

There will be a course handbook containing information and related forms.

Municipal officials such as Selectmen, Mayors, Councillors, Alderman, Legal Counsel, Managers and Administrators, Planners, Economic Development staff and others involved in telecommunications matters are encouraged to attend.

The cost for this half day program, including seminar, coffee break, course handbook and dinner is only \$95.00 for the Seminar and Dinner; \$75.00 for the Seminar only; and \$30.00 for the Dinner Meeting only. We will accept purchase orders or will bill municipalities; untimely cancellations will be charged.

**ACT NOW AS THERE ARE ONLY A LIMITED NUMBER OF SEATS!!!!  
CALL, MAIL OR FAX FOR INFO OR RESERVATIONS!!!!**
