Dear Mr. Healy:

re: Harvard Square Overlay District

Late this afternoon, your secretary and I discussed the Council's actions Monday night, specifically, the motion to request a delay in settlement of the suit between Harvard and the City now before Judge Ginsberg. She said you had not yet notified the judge of the Council's action.

As you saw Monday night, the Harvard Square Overlay District has immediate and adverse effects on our neighborhood. Given the matter's urgency, I hope it will not slip between the procedural cracks.

Very truly yours,

Marilyn Wellons
