RE: Notifications of hearings of DPU on NY Com, Inc. and
International Telecharge, Inc.

Please be advised that I have contacted the Department of Public Utilities on the notification of hearings to be held for International Telecharge, Inc. (June 21, 1988) and for NY Com, Inc. (June 28, 1988).

The Department of Public Utilities tells me that there are applications for 2 services which wish to install alternative operator services and toll services from hotels, hospitals and privately owned pay phones. They will be operating on existing phone lines in the city and will not be installing underground or aboveground lines in Cambridge.

In light of the fact that these hearings concern telephones and not
