The Honorable Cambridge City Council
Cambridge City Hall
Cambridge, Massachusetts 02139

To the Honorable City Council and Mayor Leonard Russell,

I would just like to thank all of you for the council's resolution on my behalf. I have enjoyed covering the council and city hall, and I hope the city has been better informed for it.

The council chambers provide a weekly dose of democracy at work, and the council has never failed to provide spirited debate of the issues during my time on the Chronicle. For a reporter, provocative thought inspires good copy, and the council has certainly provided the material for both.

I will miss Monday nights and Cambridge, but I will forget neither of them. Thank you again for your congratulations.

Sincerely,

Anthony Baldo
