Re: Parents for Quality Education

27 February 1975

Dear Miss Griffin:

As per our conversation of this afternoon, this letter will serve your office with official notice that the name of Joseph Tyree is to be removed from the list of incorporators of Parents For Quality Education.

I have been led to believe from the Law Department of the City of Cambridge that the elimination of this name will enable that office to recommend to the Office of Counsel of Cambridge that this organization be approved for the purpose of your issuing a certificate of incorporation. To this end I would greatly appreciate your notifying Mr. Fitzmaurice at the Law Department of Cambridge of this amendment.

With appreciation for your prompt attention to this matter, I am,

Very truly yours,

Jeffrey S. Gunin
