To The Honorable, The City Council:

In response to Awaiting Report Item No. 46, please be advised that the Law Department and the City Manager's staff have met relative to the draft ordinance requiring the purchase of recycled products by City departments. Research is continuing and the conflicts with the Uniform Procurement Act must still be resolved. The draft has been given to the Environment Committee for discussion and review and has been forwarded to the recently hired Recycling Coordinator for her review and input in order to finalize its content.

Very truly yours,
