North Cambridge April 10/86

To his Honor the Mayor and the
Honorable Board of Aldermen
of Cambridge.

We the undersigned Property owners and residents of that portion of Dover Street situated in North Cambridge, would most respectfully Petition, that side walks and edgestones be laid in said street, (in length about 400 feet).

We would call attention to the fact that it is the main thoroughfare from North Avenue to the West Somerville station of the Boston & Lowell R. R., and it is constantly travelled by a great number of people.

We would also state the Somerville end of the street from the Cambridge line is to have sidewalks and edgestones laid this spring.

We therefore pray that your Honorable Board will act favorably upon our Petition and cause the said sidewalks & edgestones to be laid at your earliest convenience —
