TO: Members of the Cambridge City Council  
Members of the Cambridge School Committee

FROM: Francis H. Duehay, Mayor

SUBJECT: Citizens 2½ Task Force

After consultation with the chairman and upon his request, I have granted the Citizens committee which is reviewing the city and school budgets until Friday, March 27, 1981 to complete their work. I expect the Council will receive the written report on that date.

As you know, their work is complex. They have been working very hard. Writing and compiling the final report is time-consuming.

Even more importantly, recent recommendations with regard to the state and federal budgets will also impact next year on Cambridge services - and the committee, I believe, will give some attention to those phenomena.
